

The Traver Program:

Funded entrepreneurship residency and student business accelerator focused on technology solutions for creative industries.

Inspired by John Traver
motion picture science '11, creator of frame.io

Winning team in the Traver category will receive a \$1,000 cash prize PLUS access to our program that includes:

- Up to **\$15,000** stipend funding during a two-semester residency with MAGIC to bring the project to market
- Mentorship + Coaching
- Your residency in MAGIC can qualify for summer and/or fall '26 Co-op for your team
